FIG. - 11

FIG. 10 is a block diagram of a system architecture. A cloud labeled "NETWORK" (1312) is connected to a central device (1300). The device has a top section (1304) and a bottom section (1306). The bottom section contains a keypad with buttons for digits 1-9, 0, and letters ABC, DEF, GHI, JKL, MNO, PQRS, TUV, WXYZ. A cable (1302) connects the device to a circular component (1308). A curved arrow (1310) points from the device to the network cloud.
